"Prez Sez..."

by Gretchen Tomm - *President*

Yikes, I can't believe it's Labor Day Weekend already!

What happened to summer? Even though summer is my favorite time of the year (minus the FOG), here in northern California, the fall months can be an awesome time for riding the coast until the rainy season kicks in.

Our membership keeps increasing, which can only mean that the word is out that we have fun and ride, ride, ride! Besides knowing a couple members of the Redwood Riders to encourage me to join, I was attracted to the club because they enjoy riding, and not just short rides either. As the size of our club grows, we might have schedule more monthly rides!? It's all about having fun in the wind, making new friends and experiencing new adventures.

I'm looking forward to our 9-day ride through the northwest! New roads to experience... 🕶️

In in the wind..... Gretchen

EDITOR'S NOTES:

Ben Johnstone and George Homenko are on vacation so no "Blast from the Past (Prez)" this month. Tom Cooke filled in for George and wrote a great article about the hazards of stopping on less than pristine surfaces. Check it out on page 3.

The RRMBC Board Election will be held during the November General Meeting. Please plan on attending this meeting so we have a quorum to validate the vote. If you are interested in becoming a board member, please read the article on page 10 for details.

Fallen Warrior Memorial Ride Ryan's Ride

SATURDAY SEPT 15, 2018 & BBQ

Sgt Ryan "Doc" Connolly was born and raised in Santa Rosa, attending Piner High School. As a youngster he enjoyed Baseball, NASCAR and helping his dad work on cars. Ryan enlisted 2004 in the US Army becoming a Combat Medic assigned to 173rd Airborne Brigade. He assisted his comrades and the locals as called upon. Killed In Action after an IED attack during Operation Enduring Freedom in Afghanistan.

June 24, 2008 Ryan leaves behind his widow Stefanie and daughter Kayla Clair now 12 years old, as well as many loving family members and friends.

Changed your address, bought a new bike? Let Dee Dee know so she can update your membership - membership@redwoodridersmc.com

Safety Report

by “BMW George” Homenko - *Safety Officer*

Slip Slidin' Away...

Paul Simon put to song the issue of “slip sliding away”. Remember the tune? “The nearer your destination the more you keep slip sliding away”.

Well like the guy in that tune, we sometime are at risk for “slip sliding away”. What?

When we come to a stop and place one foot on the surface, that foot has been known to slip or slide away.

What are those risk factors that make this possible?

The most obvious is gravel on the road. Putting one foot down on gravel and leaning on it can produce an unhappy surprise.

If you ride a lot, you've encountered gravel from trucks that has spilled over onto the road where you might need to stop. Keep a sharp eye out for these slip risks and put your foot down squarely and when the bike is nearly stopped.

Of course, gravel road surfaces, whether decorative pea gravel or just drain rock can also cause your bike to fall over if you plant your foot abruptly without taking the unstable surface into account.

What other things can cause unexpected slips? Some are commonly overlooked. Thick paint on the road marking turn lanes have a much slicker consistency than asphalt or cement. If you happen to stop on a thick yellow paint job marking a turn lane, be extra careful when planting your feet, especially the first foot you put down. That thick yellow paint can be very slippery.

Manhole covers are made of steel and are much more slippery than asphalt. Be careful if you happen to stop on one.

Similar slips can be caused by wet leaves, pine needles or other debris found in nature that have been known to blow onto the roadway.

Some vehicles leak oil. Always stay alert for oil, even if it appears dry, that can appear randomly under our bikes. Try really hard not to stop in a place that requires you to put your foot onto an oil slick. Oil slicks are particularly dangerous when it has rained after a long dry spell. They often appear near gas pumps. If you cannot avoid an oil patch, or another of these slippery dangers, try to bring your bike almost to a full stop before planting your feet, and put both feet on the surface as soon as possible.

No one wants to drop their bike due a slippery, unnoticed slick spot. Be “heads up” and keep a sharp eye for these dangers so they do not give you an unhappy and embarrassing surprise.

George is in the wind this month, enjoying some quality time on one of his Beemers on the 3 Flags Ride - Thanks to Tom Cooke for stepping in and providing the Safety Report for this month.

General Meeting Minutes

by Sharon McMillan - *Secretary*

August 21st 2018

Opening Statement: President Gretchen Tomm was not present for this meeting. Ben Johnstone presided over the meeting in her absence. Guests were introduced. Ben described being in the club and why. He talked about our rides we have made, the different destinations and our coined phrase, "We go places." Especially likes our overnights with our friendly social gathering after we get checked in. The rides are put on by you and for you. We leave nobody behind; help is there for anyone that may breakdown. We do need more road captains and with the size of our attendance, need to add more middle sweeps.

We recently had a board meeting. Tours and Events and road captains will soon be planning next year's rides. Our calendar is set up for the entire year. This lets our members know when and where we are going so you can make advance plans to be on the rides. Let our road captains know of a destination that you think would be a good ride for the club. We talked about adding more rides for the new year.

Communications – CB's have some negatives. Blue Tooth for the road captain leading the ride and the person riding sweep was talked about as a possibility.

Surveys will be sent out to the membership to get some feedback for ride ideas.

Elections are coming up in November. Nominations will be at the October meeting. Anyone interested in one of the officer positions should contact the current officer for some information about what the tasks are.

After Holiday Party – we will have a silent auction again this year. Members need to donate items so be thinking about what will be a good item. Gretchen and Melisa will be putting our annual party together again this year. Melisa added to make sure the items are good and provide a description.

Minutes: Sharon McMillan read the minutes from the July meeting.

Treasurers Report: Dee Dee d'Argence provided the treasurers report. She also let the members know that she would not be running for treasurer for next year.

Membership Report: Dee Dee reported that our membership now stands at 79.

Tours and Events: Wade Roberts gave his ride report. He will be working on our upcoming rides for 2019 soon and would like to get more road captains so if you are interested in being a road captain, middle sweep or end sweep next year, contact Wade.

August 4th ride was led by Gretchen Tomm. She led 28 riders on 25 bikes to Wallenstein's Lavender Bee Farm and then to lunch at the Two Bird Café in San Geronimo. Thanks to Rick and his family for hosting this event and the tour of the property and the products they produce.

August 8th Wednesday ride. Wade led 8 riders on 8 bikes to Winters for lunch. It was a great weekday ride.

August 18th & 19th – Wade let our overnight ride to Fort Bragg with a ride on the Skunk Train. We had 13 people make the ride on 11 bikes.

General Meeting Minutes

September 8th - 16th will be our club's long ride. The ride will go through Oregon, Washington and into Canada. Gretchen and Wade will be leading this ride on some great roads. There may still be time to make plans to join the group if you think you may want to go or as some are doing, meeting up with the group on the way back. See Wade for more information.

September 18th - Next General Meeting at China Village.

September 23rd is an Eastside - Westside ride which will be led by Melisa. This will be her first time leading our group so come out and show your support.

Safety Officer: George talked about group riding and holding the group together. Front riders need to be checking their mirrors to keep track of the riders behind them and slowing down to let them catch up. No one should be moving out of their position during the rides. Changes can be made after we make a stop. Gary shared his experience on our Fort Bragg ride with his tire going flat. The sensors on his bike let him know he was having a problem. Showed the membership the size of the screw that made it was into his tire. Mike Holden had a flat tire kit and was able to get the tire fixed. Mike asked if anyone had 45 gram compressed cylinders for tire repairs.

Old Business: None.

New Business: Ken Sutton will be participating in the "Ride for Kids" fundraiser on Sunday Oct 7th which benefits the Pediatric Brain Tumor Foundation. Mary's Pizza Shack in Rohnert Park is supporting this by donating 15% of purchases made at the restaurant on August 29th to the charity. More information will be sent out.

Wounded Warriors annual ride is Sept 15th with sign ups at 8:30 at the Café Noto in Windsor. The ride leaves at 9:15 and ends up at the Villa Chanticleer in Healdsburg. It includes a lunch and raffle prizes. This year there will be a flag ceremony replacing burned flags for the people that lost flags in the recent fires. Wade said we have always supported this ride and we should again this year. It is also during the time that a number of our riders will be on the long ride.

George's ride to Monterey has been changed. It is the same time that the pumpkin festival takes place and traffic is very heavy. He and Tom have put together a ride to Truckee on Oct 14 and 15. We will be going up Hwy 50 and the west shore. Dinner at Tom's cabin in Truckee. He will set up reservations at a motel in Truckee.

Last weekend in September is Street Vibrations.

Paul Benkover shared with the members to be careful on Hwy 101 north of Windsor with the new paving that is going on. His son damaged the wheel on his bike changing lanes transitioning from the old surface to the new.

Raffle:

- 1st prize – was lotto tickets which was won by Ken Sutton
- 2nd prize – went to Terry Perry which was homemade apple and peach butter
- 3rd prize – was coffee and cookies which Conci Mack won
- 4th prize – went to Barry Kessey which was a bottle of wine
- 5th prize – was a candle won by Laurie Darling
- 6th prize – went to Graham Balfour which was bike polish and polishing rag
- 7th prize – was a Starbucks card won by Melisa Brown

50/50 raffle this month was \$72. This was won by Steve Darling who donated \$40 back to our Ceres Charity for a total of \$113 going to Ceres

Ride Reviews & Upcoming Rides

Cycle Up Riders! August is gone, September is here and Fall is on the way. Come out and RIDE!

August was a Great Month with some Fun Rides

Saturday August 4th - Gretchen Tomm led a great ride to the Wallenstein Lavender Bee Farm. With 25 bikes and 28 riders. Thank You Wallenstein Family for hosting this event.

Wednesday August 8th - I led a fun ride to Winters. We had 8 bikes and 8 riders, riding over to Napa to Hwy 121/128 to Winters and coming home Hwy 128 back to Calistoga back home.

Saturday August 18th & Sunday August 19th - I led a 2-day ride to Fort Bragg/Skunk Train, with 13 riders and 11 bikes. We took Hwy 101 north up to Leggett then down Hwy 1 spending the night at the Seabird Lodge. Saturday, we took the Skunk Train, then came down Hwy 1 to Hwy 128 home. This event was a fantastic ride. Thanks guys, for coming out and making this ride great.

Tuesday August 21st - General Membership Meeting was attended by 37 members.

September Updates

Saturday September 8th-16th - Gretchen Tomm and I will be leading a 9-day ride, meeting at Shari's a 7^{AM} leaving at 7:30^{AM}. This ride will lead us up the coast to Crescent City then inland into Oregon, Washington and Canada and back down to Vancouver Island BC to spend time in Victoria. Taking the coast back down Washington, Oregon and Calif.

No Wednesday this month.

Tuesday September 18th - General Membership Meeting at China Village, Cotati. Greet & Eat starts at 6^{PM}. Meeting begins at 7^{PM}.

Saturday September 23rd - Eastside/Westside Ride. Melisa Brown will be leading this ride meeting at Shari's at 9^{AM} and leaving at 9:30^{AM}. Come out and ride/support Melisa, this is her first time leading.

We are looking for Road Captains for next year 2019. If you are interested, please contact me. We will be having a Road Captains Meeting in November to plan out next year's rides

Hope to see you out on the road in September, riding and having fun.

Your Tours & Events, Wade

Tom's Take

by Tom Cooke - Contributor

"The Nightmare at Left Turn"

Freddy Krueger is no more scary or dangerous than what we often face while riding.

A recurring nightmare for motorcycle riders is the car or truck, seemingly sightless, which turns left into our path against our right of way. We know all too well that "right of way" means nothing when a bike collides with a car driven by an oblivious person. Such accidents are among the most common and most serious things we must guard against... but how?

Stay extra alert at intersections, most especially when a car seems to be preparing to turn left in front of you, or as you approach. If a rider is totally alert to the possibility of an illegal, dangerous left turn, the risk of being hit or hitting the car can be reduced.

So what signs should we look for to alert us? For a start, where are the driver's eyes looking? Are they focused on you, or do they seem not to notice your presence? Sound your horn, or slow, even to a stop if necessary if the driver in the left turn lane does not seem to see you.

Is there a gap in the traffic going your way? Cars going in your direction in front and behind you are a much more visible presence than a solo rider. If you are solo, be even more alert to the possibility of car turning left in front of you.

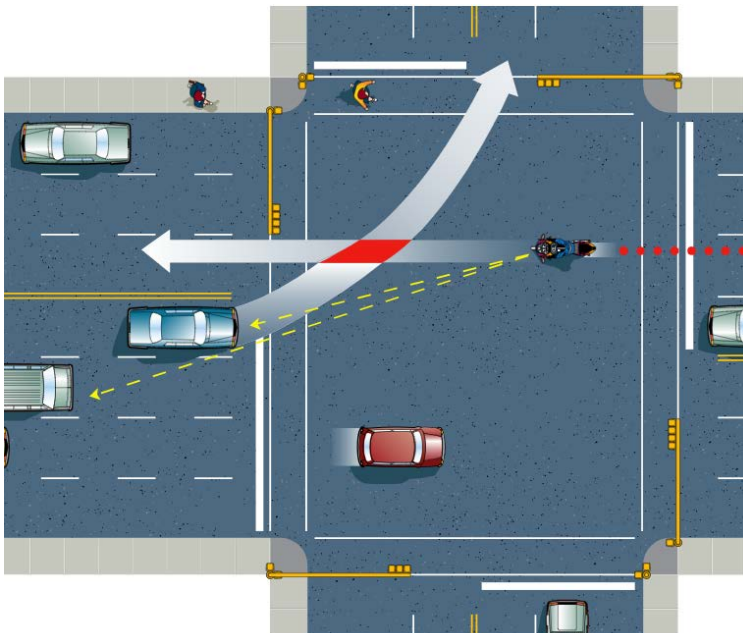

Is the driver eating, drinking or talking on the phone (illegal of course)? If yes, avoid the car like the plague. Put distance, however you can between your bike and that car. There is a good chance you will not be "seen" by such a dangerous motorist.

Where are the car's wheels pointed? If they are already turned to the left the likelihood of an abrupt left turn is increased. Prepare for evasive action if you see a car whose wheels are turned to the left early or before the turn is initiated. Quickly change lanes to avoid the possible left turning car. Or slow way down to give yourself time to see what the left turning car may be getting ready to do.

Nothing we can do while riding can insure us against thoughtless, inattentive drivers. But following the suggestions here may shift the odds a bit more in our direction.

Rubber side down - Tom

Officer Elections

BOARD OF DIRECTORS

2019 ELECTIONS

NOVEMBER 20, 2018

The RRMCM Board of Directors Election will be held during the November General Meeting. If you want to participate more with the operating and direction of the club, becoming a Board Member is an ideal opportunity.

While all positions are open, the Membership Director and Treasurer positions are vacant as Dee Dee will be stepping down. If you are interested in ANY position or want more information regarding the position's responsibilities and duties, please contact the current office holder to let them know you are interested.

Below are descriptions of the Board Positions which are condensed versions contained with the club's By-Laws.

President: The President shall preside at all meetings of the members and of the Board of Directors. The President has general supervision of the operation of the club. A President's Book shall be created and once created it shall be maintained and updated by the President. The President's Book shall be passed on to each succeeding President. The Book shall outline the duties and responsibilities of the Office, that of the Board of Directors positions and contain any pertinent information regarding the operation of the club.

Vice President: The Vice President shall take over duties of the President in his/her absence.

Membership Director: The Membership Director shall be responsible for receiving, processing and recording membership applications and membership fees. The Membership Director will promote the club to non-members whenever possible and appropriate. The Membership Director should be well informed as to club policies, functions and all matters pertaining to the club with a goal of increased membership. The Membership Director will maintain a record (inventory list) of Club gear and coordinate sales of such with the Treasurer. It will be required that the Membership Director give a current membership report at monthly meetings.

Secretary: The Secretary shall handle all official correspondence of the club as necessary. Keep minutes of both the general membership and Board of Directors meetings. The Secretary shall provide a copy of the general membership meeting minutes to the Club newsletter editor for inclusion in the next month's newsletter.

Treasurer: The treasurer shall manage the financial affairs of the club, be custodian of the club funds and collect all dues payable by club members. The Treasurer will be responsible for overseeing the 50/50 raffle at club meetings or events as necessary. The Treasurer shall maintain an inventory list of all Club gear and coordinate sales of such with the Membership Director to keep track of all sales and inventory levels. The Treasurer shall render a financial report at monthly meetings and Board of Directors meetings.

Tours & Events Director: The Tours and Events Director is responsible for gathering information on upcoming rides and events making sure that information is accurate and as complete as possible. The Tours & Events Director shall send out a weekly email and update the RRMCM hotline to inform members of the upcoming weekend's event(s). The Tours & Events Director shall give a summary of recent rides as well as report on upcoming activities at the monthly general meetings. The Tours and Events Director shall also coordinate rides with the Road Captains.

Safety Director: The Safety Director shall be in charge of determining safe group riding practices and to prepare and keep current the "RRMCM Safe Group Riding" handout for RRMCM members. The Safety Director's duties shall include observing the members during group rides and discussion with the members on safety issues including any violations of the RRMCM (written) safe riding practices. The Safety Director is responsible for providing safety tips in the monthly newsletter and shall give a safety tip/report at the monthly general meeting.

Sergeant at Arms: The Sergeant at Arms shall provide assistance to the Board of Directors by calling to order all meeting and announcing the close of all meetings. The Sergeant at Arms will keep order during meetings to allow members speaking to be heard. The Sergeant at Arms is charged with keeping the peace among members.

Member Info

Silent Auction Items

The Holidays are right around the corner which means just one thing... The RRMCM After Holiday Party is coming up! Last year, the Silent Auction netted a hefty \$609 which was donated, in its entirety to our charity, The Ceres Community Project. Melisa Brown will once again be heading up this effort and we ask you follow the below guidelines in order to make her job a bit easier.

- Only new or gently used items should be donated.
- Include the approximate purchase price if known.
- Descriptions of parts and value appreciated.
- Melisa will start taking donations at the October General Meeting and at every meeting thereafter.
- If you can't make it to the meeting, contact Melisa directly to arrange a possible pick-up or meeting point.
- If no bid is made on the item it will be returned to the donator who will be responsible for its removal.

Ceres Community Project Amazon Smile Program

Shop on Amazon? Who doesn't? Put your shopping addiction to good use by signing up with Amazon Smile and selecting the RRMCM's official charity, The Ceres Community Project as your Amazon Smile charity of choice. It is easy, fast and Amazon will contribute 0.5% of EVERY PURCHASE to Ceres. You shop - Ceres receives! A true win-win!

Sign up at <https://smile.amazon.com/>
